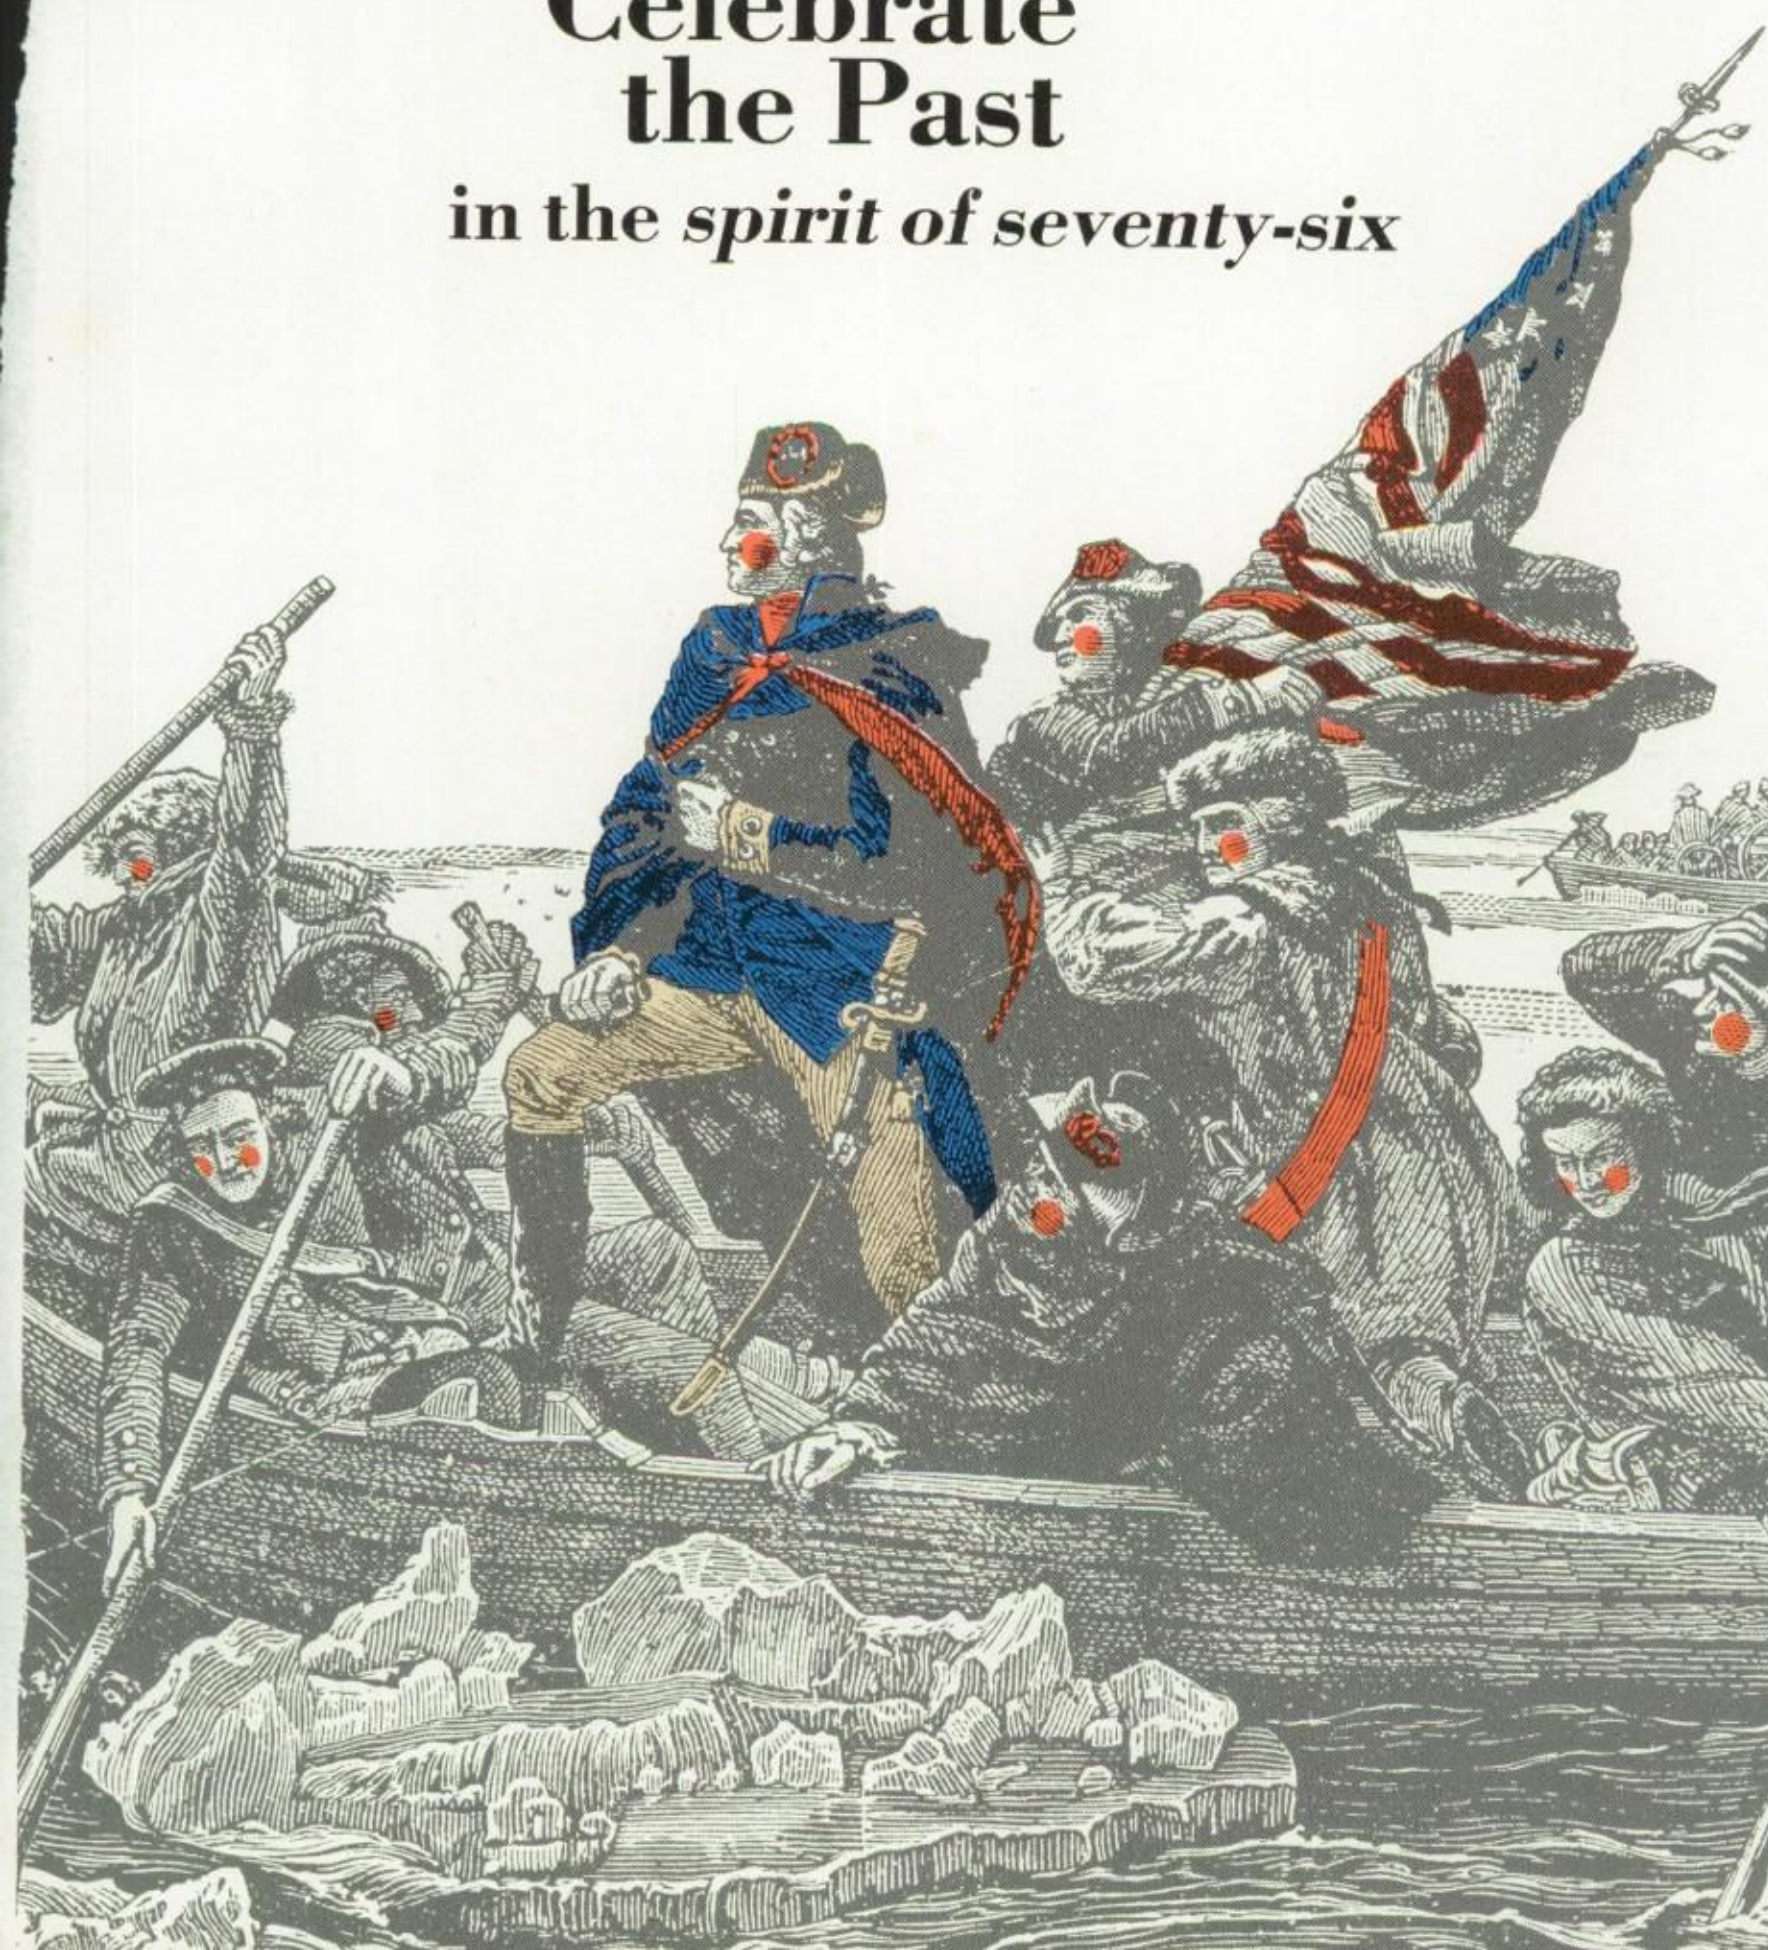
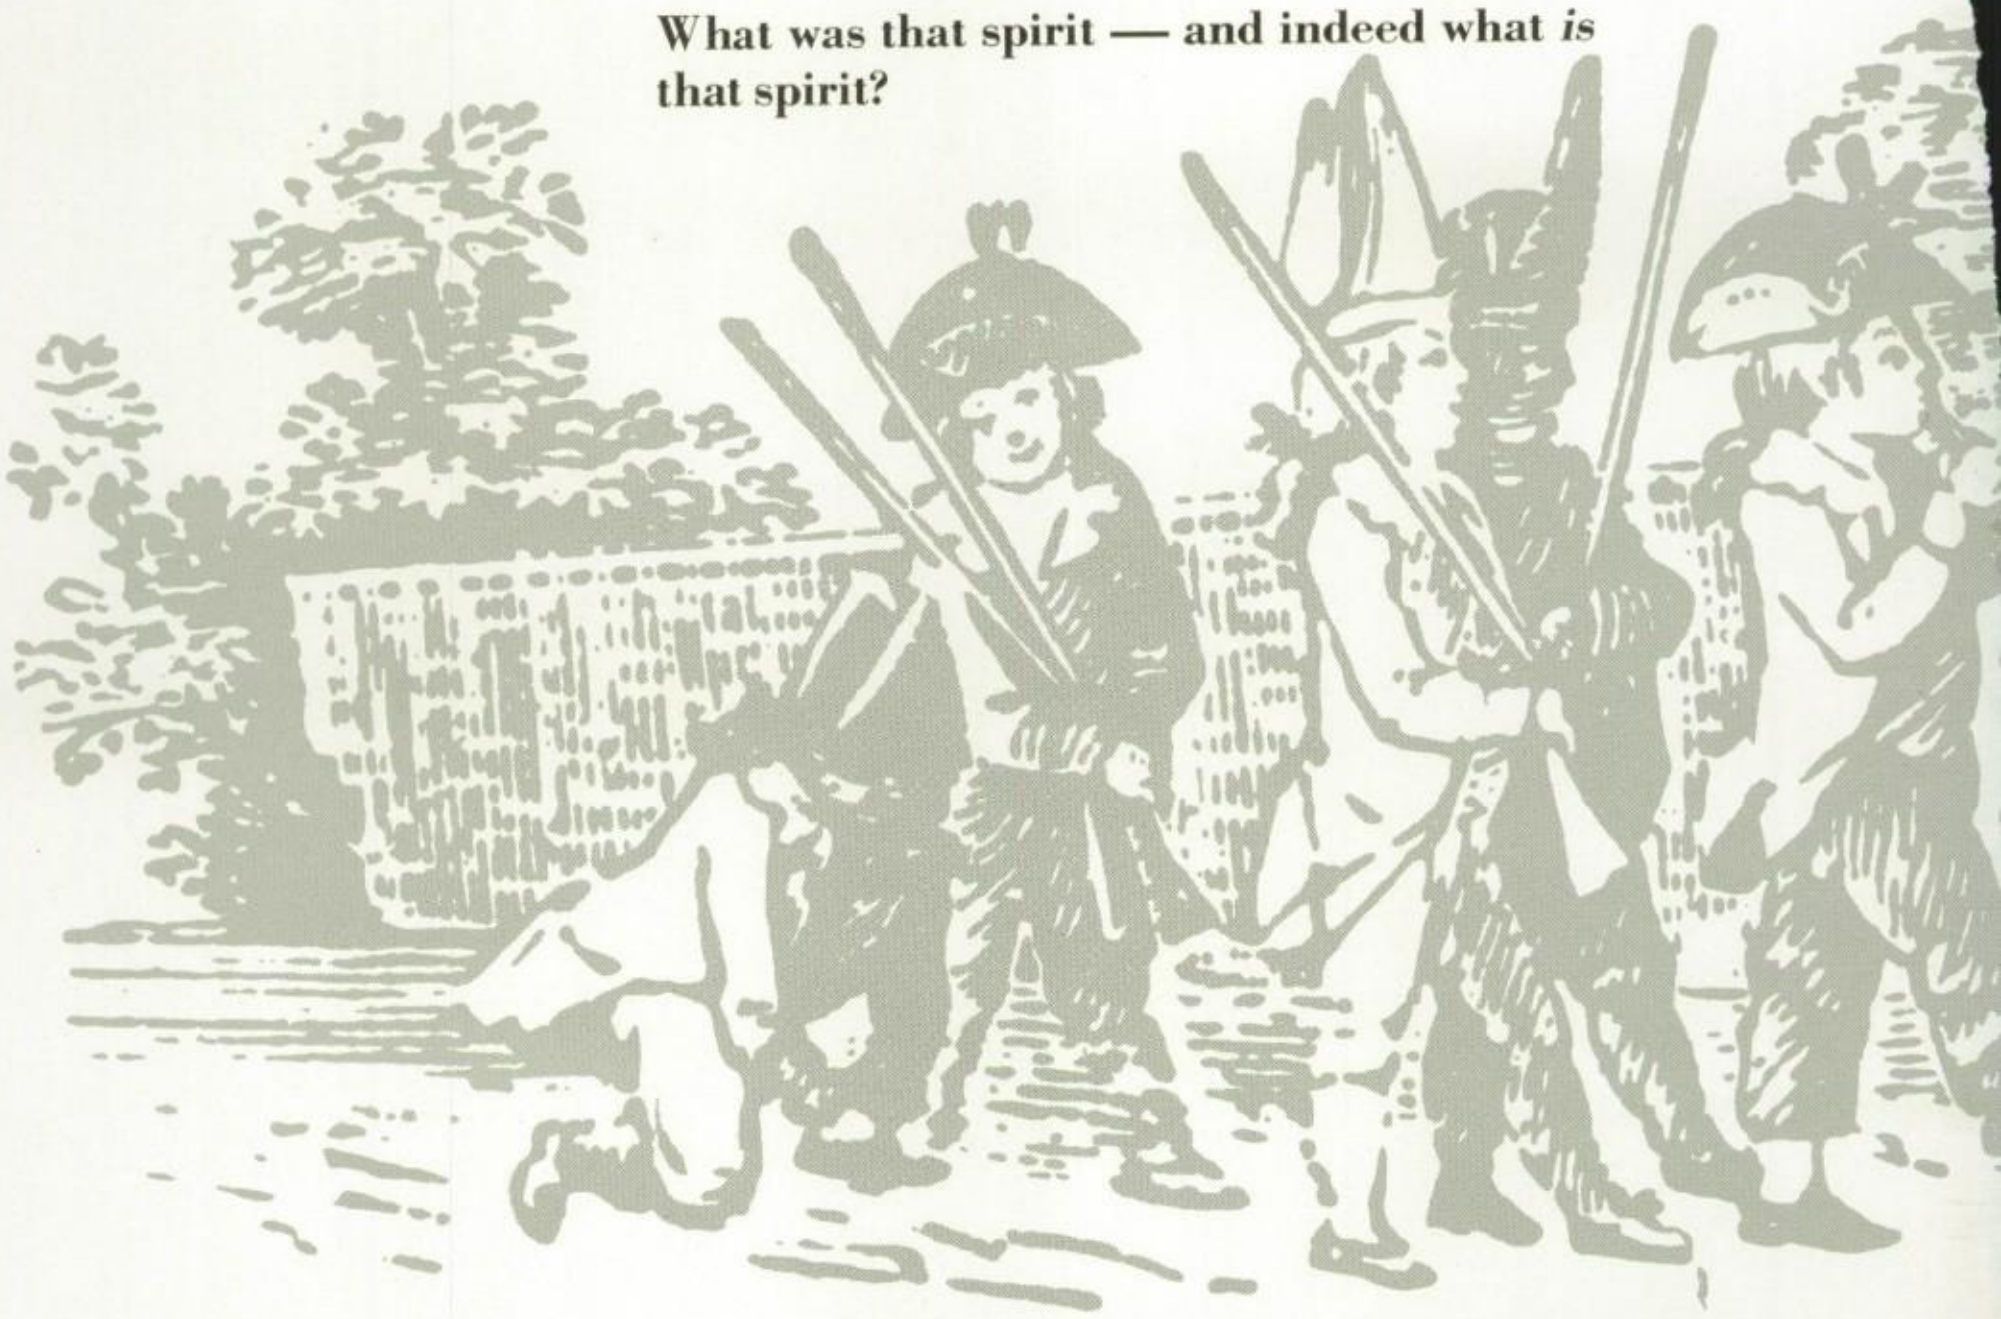
We Celebrate the Past

in the *spirit of seventy-six*



There was an enormous force which strengthened the colonies, which exists today, and which has carried America through its great history. That force is known to us all to be the *"Spirit of '76."*

What was that spirit — and indeed what *is* that spirit?



It is a *SPIRIT OF LIBERTY* and the knowledge that one man's freedom is more important than anything else on earth.

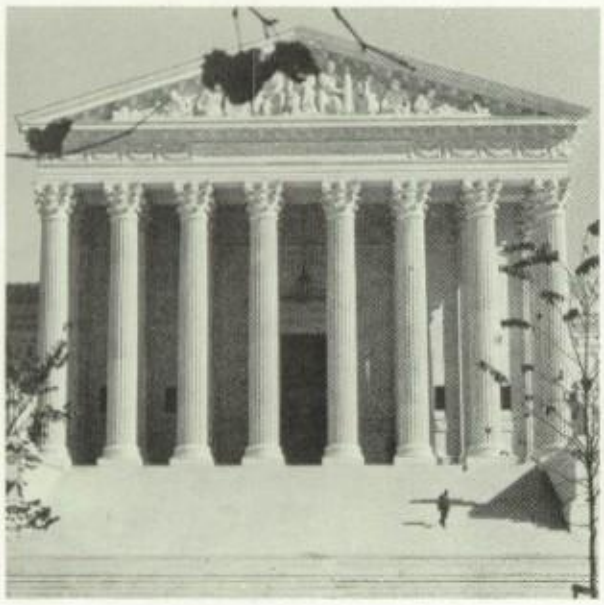
It is the *SPIRIT OF SACRIFICE* — of sharing burdens and conflicts.



It is the *SPIRIT OF OPTIMISM* of knowing that we can always make things better — of working only for the best, and expecting only the best.

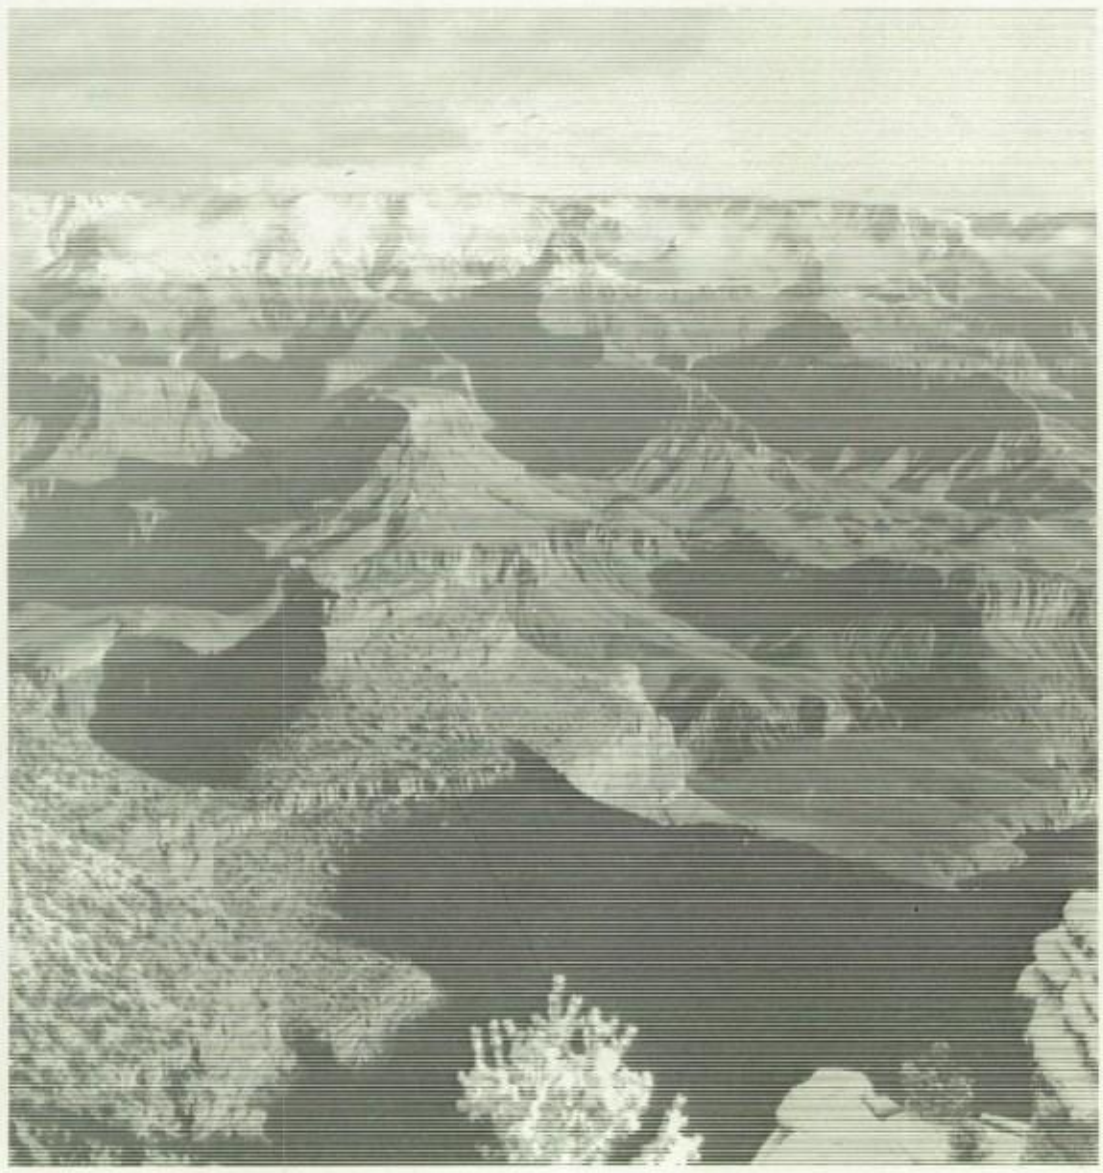
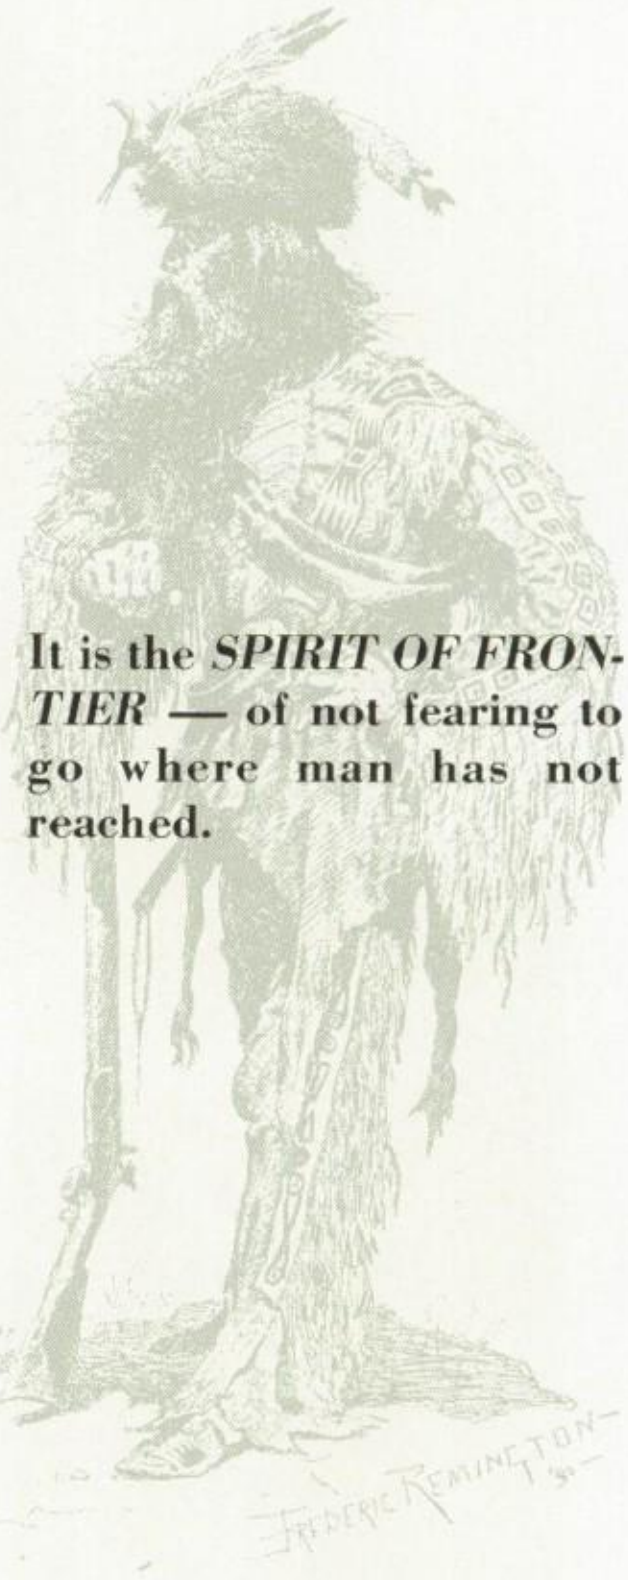
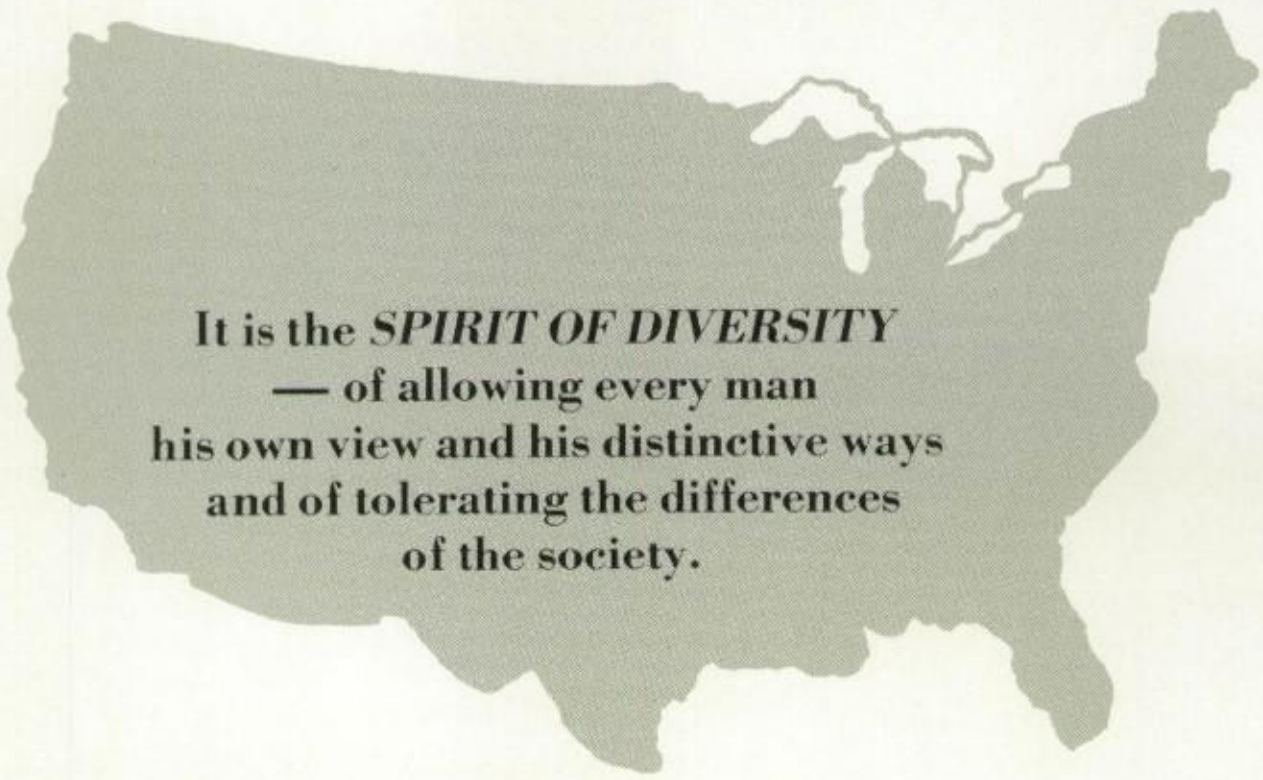
It is the *SPIRIT OF CONFIDENCE* — of not being constrained by earthly boundaries and of the certain knowledge that man can master his fate.





It is the *SPIRIT OF FRONTIER* — of not fearing to go where man has not reached.



It is the *SPIRIT OF DIVERSITY*
— of allowing every man
his own view and his distinctive ways
and of tolerating the differences
of the society.

Indeed the *"SPIRIT OF '76"* was, and is, many things,
each of which has been a building block

When all else fails
it is that spirit that will be there to guide us

THE HAPPENINGS

The Year That Was

On Tuesday, June 17, 1975 the ground was broken for the construction of the Fairview Junior High addition to the current high school building. Throughout the year the students would grow accustomed to the wooden gymnasium wall, the ear-piercing sounds of drills and hammers, and the construction workers as part of the school day.

The Junior Class was fortunate to work at the Sherwood "Haunted Hollow" haunted hayride. The Juniors earned a cut of $300 from the profits taken in by the Sherwood Jaycees. This money helped immensely in defraying the costs of the Junior-Senior Prom.

The students of Fairview experienced a drastic change in their life style as the traditional "Hamburger Wednesday" was moved ahead to Thursday. How's that for progress!

Jack Nicholson received the Academy Award for his performance in "One Flew Over the Cuckoo's Nest." That movie and Louise Fletcher also won Oscars, making the first time a single picture has won the top three categories; best picture, best actor, best actress; in the Academy Awards. Peter Benchley's "Jaws" became the all-time box officer sensation as it grossed over $5 million and grossed out everyone who saw it.

The American people were subject to a gasoline shortage during the summer of 1976. The price of gasoline jumped as much as twenty cents. To curb the excessive use of fuel the national government ordered that the national speed limit be lowered to 55 miles per hour, creating a drastic change in the habits of the American driver.

1976 - an election year and our Bicentennial. A year in which we can look back upon our heritage and look ahead into our future with a capable leader. 1976 - a year of decision. How will we face the next 200 years? Will we forge ahead and continue as a world leader? That is for you, today's teenagers, tomorrow's world leaders to decide.

Deb Fogle, 1974-1975 Homecoming Queen, crowned Jean Armstrong as our new Queen this year on October third. Escorting Jean was Richard Petrone, a senior football player. Four other senior football players escorted the attendants. They were as follows: Roger Letso escorted Sue Brenner - Senior, Gary Guilford escorted Joni English - Junior, Rick Bauer escorted Meg Behringer - Sophomore, and Curt Doan escorted Paula Zumbrum - Freshman.

The Fairview football players provided a close and exciting victory over the Wayne Trace Raiders for the Homecoming crowd of approximately 1,300 fans. At the half time the Fairview Marching Band put on a show for the crowd.

Immediately following the game a dnace entitled "Barnyard Ball" was held in the gym. The "Country Ramblers" played a variety of music.

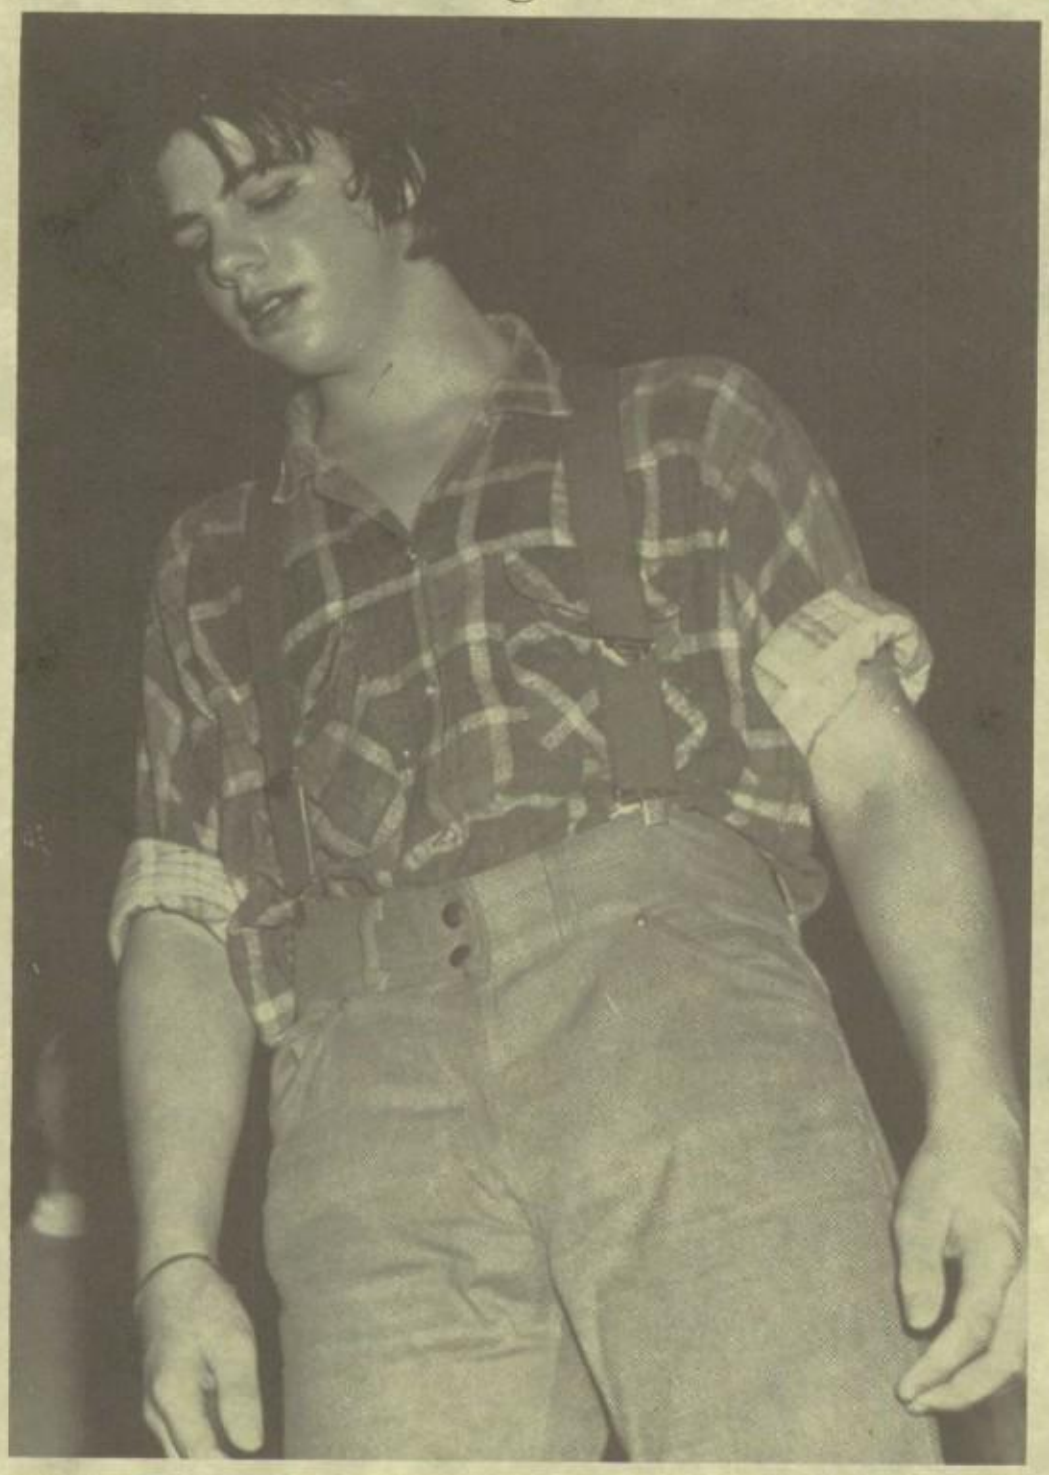
Returns on Stage



This is not the first time "Lil' Abner" was presented at Fairview, but it's felt it was just as big a smash this year as it was in 1970.

The cast was Lil' Abner - Dave Raker, Daisy Mae - Amy Drum, Pappy Yokum - Doug Marchal, Mammy Yokum - Janice Arend, Marryin' Sam - Ned Garver, Earthquake McGoon - Mike Bok, Mayor Dawgmeat - Jim Panico, senator Phogbound - Chris Roberts, Doctor Finsdale - Lisa Morrell, Dr. Smith - Lucy Dietrich, Dr. Krogmeyer - Duane Culler, Dr. Schleilitz - Neal Koch, Apassionata Von Climax - Mary Money, Speedy McRabbitt - Dan Crosser, Available Jones - Mike Keeterle, "Stupifying" Jones - Lisa Campbell, General Bullmoose - Joe Holtschulte, Moonbeam McSwine - Brenda Brink, Scarlet - June Schlosser, Gov. Woman - Sandi Pierce, State Dept. Woman - Kathy Lockie, Creighton (Butler) - Don Losey, President - Kathy Cline, 1st Colonel - Pat Elliott, 2nd Colonel - Chris Sell, Wives: Denise Meroney, Kay Cantrell, Carol Raker, Kathy Clinker, Dorines McDougall, Diane Butler, and Tammy Schindler, Secretaries: Gina Simonis, Bonnie Ramsey, Lana Wiles, and Vicki Cook.

The profit made from the play was used to buy contest music and helped defray the cost involved in the participation of music costs.

Christmas Spirit Strikes the Dance Floor

Even though the temperatures were chilly, hearts were warm at the annual Christmas dance presented by the Student Council on December 22, 1975 from 8:00 to 11:00 P.M.

The gym was attractively decorated with pastel streamers criss-crossing the ceiling. A giant Christmas tree stood in the center of the gym while there was a living room scene complete with a fireplace was set on the stage. The branches of mistletoe hung about the gym aroused one's sense of Christmas love.

The Misty's, a Brian group, played the soft dance music for those attending with an occasional square dance. The refreshments were Christmas cookies and punch.

"Saturday Night at the Movie" was the theme of the FHA Sadie Hawkins Dance on March 20, 1976 from 8-11 p.m. Giant movie posters of Jaws, Towering Inferno, Airport 75, American Graffiti adorned the gymnasium. Black light transformed the mammoth pictures into glowing portraits of bright color.

Sir Thomas Johnston, a band from Pandora High School played the current rock sounds to the delight of the dancers.

Boxes of fresh hot popcorn ornamented the tables while ice cold soft drinks were provided for the thirsty.

So Proudly We Hail

While the leaves were dying in October of 1975, the Bicentennial was coming to life. Committees, of adults and students, were formulated. Soon work was under way.

Early in 1976 amidst the confusion of solo and large group contests, the committees met to draw up room assignments and decide on matters such as program covers. Many students sent letters to museum and clubs for information on some of Ohio's celebrities. Several students went on trips to museums, and took pictures to show as a display at the bicentennial. The program began taking shape.

Late in February the first taping of the one-room schoolhouse and teachers took place. Along this same time the Adult Bicentennial Chorus began coming in on Sunday afternoons to practice selections for the show. Student organizations in the school were asked to support the show by setting up and guarding the display rooms.

Then the program was postponed from March 19-20 until April 30-May 1. With more time, the workers were able to add the "special" touches.

March turned to April and as it did, enthusiasm grew. The dramatics class began working on the staging. The chorus had weekly practices. Soloists and ensembles formulated their acts. A second taping of the one-room schoolhouse teachers took place. Articles started to arrive.

The week of the show brought with it the excitement of the production. Evening practices with both students and community performers cleaned up most of the rough spots in the show itself.

The Friday afternoon before the show was devoted to setting up displays and finishing staging. Many students spent their afternoon adding the final touches.

At 6:00 PM Friday, April 30 the event began. Guards and guides were dressed in early American costumes. People began leaving the halls at 7:30 and filling the gym where lemonade and cookies were served.

The show "So Proudly We Hail" began promptly at 8:00 PM. Selections from the United States 200th heritage were performed throughout the two and half hour show.

With the close of the show on Saturday, came the feeling of accomplishment and unity to the hearts of the students and community alike. The spirit of Fairview's Bicentennial lingers on.

A Night in London

The Juniors said "Cherio" to the Seniors on Saturday night, May 15, with the Jr.-Sr. Banquet. After the feast, Jr. class President, Steve Hubbard, welcomed the Seniors and thanked all those who had helped on the banquet. Senior class President, Mike Johnson, then gave his response and wished all the Seniors good luck in the future.

After the banquet everyone went next door to the gym where the theme was "A Night in London." The gym was attractively decorated by the Junior class to symbolize late nineteenth century London. The gym was the scene of the Big Ben Clock. Fairview High school was most fortunate as the London Bridge failed to fall on this special occasion, allowing 1976 Prom to become one of the best proms Fairview has put on in a number of years.

The evening mood was set by "The Moods," an orchestra group from Ft. Wayne. A small fire on one of the tables highlighted the dance.

After the closing of the dance our Fairview group ventured to the Bryan Theatre where they watched the movie of Pete and Tillie. The evening activities ended at the Bryan Lanes.

Schoolwork Escape

Throughout the year, a total of four assemblies provided an escape from schoolwork for the students. The assemblies offered relaxation and entertainment for the school-weary pupils.

The young couple of Pammy and Bau Graves charmed the students with their presentations of American folksongs and ballads.

Bob Wood, the nationally-known cartoonist came to Fairview and presented an interesting chalk-talk. Mr. Wood used a giant tablet and chalk to create cartoons and beautiful pictures.

Mark Twain visited Fairview in our next assembly. The actor brought back to life the great comedian's talent in telling stories. His performance was highlighted by a tale of terror in an old house.

The dynamic personality of Ted Hunt graced the student body with his songs, poetry, and poise. Mr. Hunt explained the power of positive thinking as applied to his personal life.

Sometimes

The world should just revolve
In its orbit around the sun,
Without me.
These are the days that
I have no feeling of oneness with
The Universe.

I feel as separated as a snowflake
In a rainstorm,
Too tiny to change the mass
To freezing,
And its individuality melting
Away.

I cannot change the world.
Maybe it would be far better
If the disturbances caused by
This one snowflake,
Were to fade quickly,
And be gone without a trace.

THE EDUCATORS

THE LAWMAKERS

During the regular November election, the people of the Central Local School District elected new Board of Education members. When they took office in January, the new officers were elected. The new President is Mr. Francis Singer. The new Vice President is Mr. Elmer Clinker. The Board's Clerk is Mr. Robert Joost. The other members of the board are Edgar Baker, Robert Heisler and Ervin Hastedt, who is a new member.

The board's main concern was the new Junior High building. The construction contract went to Baker and Schindler Construction Company. The electrical contract went to Geiger Electric Company. Contracts for loose equipment were awarded to the following companies: Frey Office Machine, Bowling Green Equipment Company, B&J Photo, Ohio Penal Industries, The Miller Company, Seibenicks Office Supply, American Seating Company, Beck Studios, Geiger Brothers Electric, Gale E. Hale Company, Baker and Schindler Construction Company and Defiance Kellermeyer.

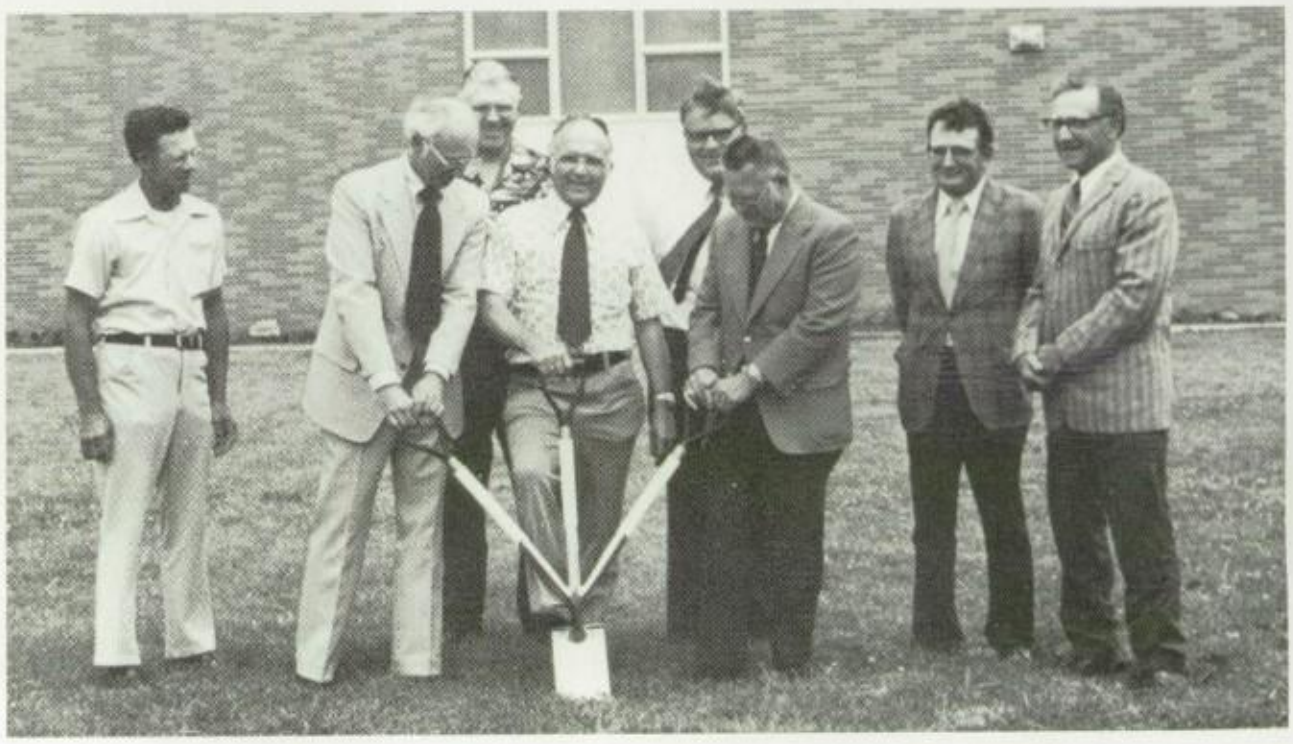
Besides the new school, the board still has the regular business to take care of. This year the school board accepted four teacher resignations, renewed contracts for certified and non-certified staff, established budgets for the 1976-77 school year, general fund finances were reviewed, and two new 66-passenger buses were purchased.

The four teachers who put in their resignations were Mrs. Irene Struble, Mrs. Alice Dowe, Mrs. Thelma English, and Mrs. Lura Jeffery. Mrs. Struble, Mrs. Dowe, and Mrs. English are retiring while Mrs. Jeffery does not plan to teach during the 1976-77 school year.

Twenty-six certified teaching contracts were renewed and six non-certified staff members received new contracts.

Once during the school year the school board meets with the student council. They discuss complaints and requests of the student body.

The school board has had a fine year and hopes next year will go as well with the new school. Even though they have had a low budget to work with they do their job well.



UPPER: THE MEMBERS OF THE 1975-76 SCHOOL BOARD: From L. to R., Front Row: Robert Joost, Clerk, Francis Singer, President and Elmer Clinker Vice President. Second Row: Edgar Baker, Robert Heisler, and Ervin Hastedt.
MIDDLE: Breaking the ground for the new junior high building.
LOWER: At a regular school board meeting. Mr. Jones, Mr. Breisinger, Mr. Miller, Mr. Bok, and Mr. Speiser look on.

The Leaders

MR. JONES

This year Mr. Jones' main concern has been the new junior high. On some days you'll find him buried behind piles upon piles of blueprints and papers. In the chair in front of him will be sitting a very important architect. If this wasn't the case, you'd find him talking to other important people on the telephone.

Besides worrying about the new school, he still has the old building to worry about. It helps to know he has man like Mr. Breisinger backing him up when things don't go as planned.

Mr. Jones is a nice man to know and a good superintendent too. If you ever have a problem that Mr. Breisinger can't solve, don't hesitate to ask Mr. Jones. He is always willing to help.

MR. BREISINGER

Being a principal isn't an easy job. Mr. Breisinger has to look after over 500 students. If you ever have a problem in a class that can't be solved by the teacher just contact Mr. Breisinger. He likes students to bring their problems to him. He is always concerned about their academic grades and their future.

Sometimes you'll also find Mr. Breisinger working on things for the new junior high. He is usually walking around with construction workers talking about different things. But his biggest concern is the high school and the students in it.

MR. MOUNTZ

If you have an idea of a certain type of college you might want to attend, just ask Mr. Mountz. He has literature on every 2 and 4 year college and university in the United States. Mr. Mountz also has numbers and addresses that you can call or write to make an appointment to visit the college or university you have chosen.

Besides helping you choose a future, he will also help you choose academic courses to help plan for the future. Mr. Mountz takes care of all the Pre-Registration and Registration of the students for their following year. If you happen to have a problem scheduling a certain class, just go to Mr. Mountz. He will be happy to straighten out the problem.

Two New Faces at Fairview
Mrs. Struble to Retire

Mr. Ray Woodring, one of the new faces at Fairview replaced Mr. Mark Welch in the Agricultural Department. Mr. Woodring teaches Conservation, and Animal Science. He is also one of the FFA Advisors.

Mrs. Mary Scranton is another new face at Fairview. She replaced Mrs. Florence Husted who retired. Mrs. Scranton teaches Home Ec. 1 and 2, Child Care, Family Living, and Advanced Cooking.

MR. RAY WOODRING - B.A. Ohio State University; 4 teaching years.
MR. DAVID POULSON - B.A. Ohio State University; 7 teaching years.

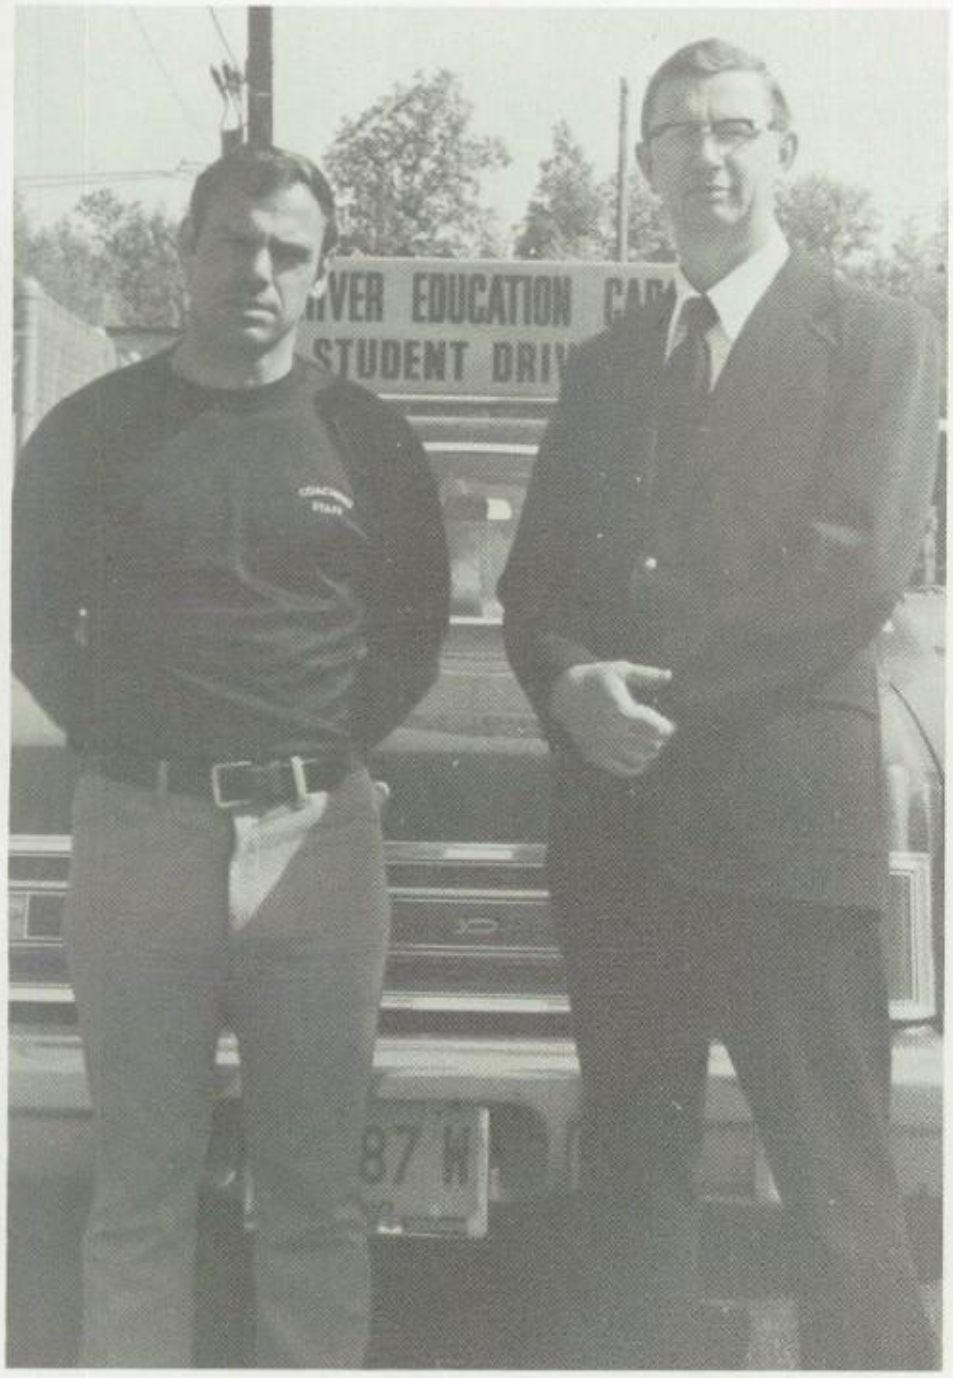
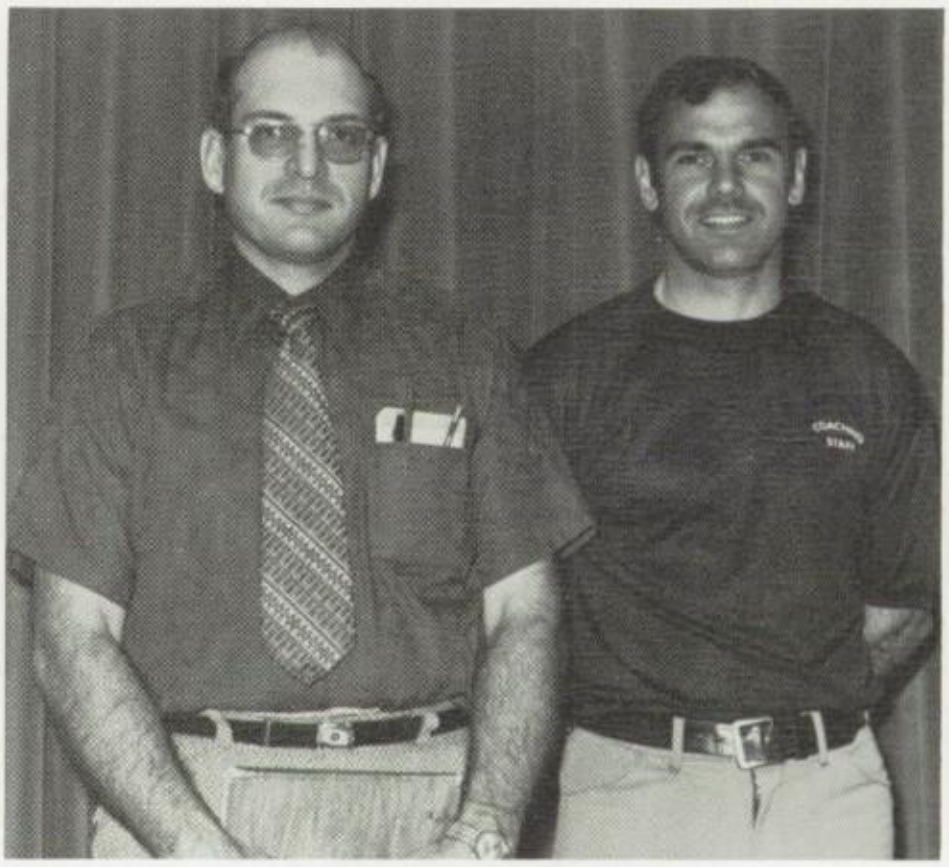
MRS. ARLENE HEISLER - B.A. Bowling Green State University, M.S. University of Colorado; 13 teaching years.



This year in the phys. ed department, the teachers had to patiently "give up" some of their classes due to the construction on the new gym. But I don't think they minded because next year they will have more room in which to hold their classes.

The driver's ed classes received new classroom books. Compared to last year's books, the new ones have more up-to-date information. They also received a new car. You might have seen it driving around. It's a dark brown Ford LTD. Maybe it can go through the summer without any accidents.



EXTREME UPPER LEFT: VOCATIONAL AGRICULTURE AND INDUSTRIAL ARTS - Leading the hammer, shovel and nail crew are Mr. Woodring, Mr. Poulson and Mr. Kretzer.
EXTREME UPPER RIGHT: HOME ECONOMICS - Mrs. Scranton and Mrs. Struble check out a new recipe to "try-out" on their new students.
EXTREME MID. LEFT: One of the many things a Woodworking student must know is how to hand saw straight and accurate.
EXTREME LOWER LEFT: Home Ec. students, Pat Timbrook, Deb Kuhn and Sherry Wolfrum show their sewing ability to Mrs. Struble in her class.
UPPER LEFT: DRIVER'S EDUCATION - Mr. Whalen and Mr. Fritz get a scare every once in a while when a female student gets behind the wheel. Mr. Rettig and Mr. Straziuso are absent from the picture.

Attendance Drops

This year a total of twenty-six seniors, fifty-four juniors and one sophomore left the halls of Fairview High School and attended the Four-County Joint Vocational School near Archbold. The total of 81 students is down from the 86 of last year. Next year a large increase is expected with 110 seniors, juniors and sophomores plan to attend.

Child-Care Assistant, Ag Mechanics, Autobody Service, Auto Mechanics, Carpentry and Cosmetology are the courses most favored by Fairview Students.

Although they had the noise and smell of the construction to cope with, the cooks always seemed to have a pretty decent tasting lunch for the hungry students and teachers at FV. They also had an awfully large cafeteria staff so they never had to worry about help.

The bus drivers, consisting of seven men and one woman, received two new 66-passenger buses from the school board. Now there will always be a bus for the extra-curricular activities. The buses that will be replaced will be used for this.

Mrs. Struble Retires

After fifteen devoted years at Fairview High School, Mrs. Irene Struble retired at the end of the 1975-1976 school year. Mrs. Struble began teaching at the Central Local high school when it was at Farmer in 1960. There the facilities were "quite a bit less than adequate."

Mrs. Struble lives with her husband Duane on a farm on the Ney-Williams Center Road. She says she likes the calm country atmosphers and being close to Nature. Living in the country also gives her an opportunity to tend a small garden.

Mrs. Struble, who comes from a family of teachers, states that she will miss the teaching profession and its convenient hours and the new faces she meets every year. But most of all, she says she will miss the "bunch of wonderful kids at Fairview."

The FFA motto describes what is happening in Vocational Agriculture. The "Learning to Do" is accomplished in the school where the students learn the technical skills such as welding, engine repair, woodworking and how to care for animals and grow crops. To learn most agriculture skills you need to "Do to Learn" as stated in the motto. To accomplish this the students work in the shop and have production projects at home. Projects such as livestock, crops, gardens, etc. will put into practice the training from class and also make some money to "Earn to Live" and hopefully help start the members in a career in agriculture.

The main goal of the FFA chapter is to round out and test the students skills and help explore the pride in helping others, thus "Living to Serve" is put to work by projects such as the conservation land lab. To give members a chance to compete in contests such as livestock judging, meat judging, soils and public speaking not only increases their skills but gets them out among other young people to make new friends, and compare notes for building a better chapter and improve agriculture. The chapter competed in contest at the state and national conventions and many other activities for community service, gain knowledge, and of course to just have a good time.

The school year of 1975-76 was an active one for the FHAers. Two meetings included guest speakers: Mr. Paul Webster from Bryan High School showed nature slides at Daddy Date night, and the school's registered nurse, Mrs. LaRue Desch, talked on immunizations. Activities such as a Halloween costume party, roller skating, swimming, a square dance with FFA and a backwards progressive dinner were enjoyed by members. Other meetings were a pot luck dinner for members and their mothers, a meeting where the grandmothers were invited and the senior farewell banquet.

Other projects included a Sadie Hawkins dance, the selling of Tom Watt Kits, the fair booth, working at the Bicentennial program, the award of Merit and Country and Subregional meetings. The theme of the Sadie Hawkins dance was "Saturday Night at the Movies" with gigantic black light posters of popular movies. The dance was a great success with music by Sir Thomas Johnston.

During FHA week, February 9th-14th, some FHA members were part of a radio-TV program at the Archbold station.

This year eight Junior degrees were earned and Tammy Schindler, Sharon Rosebrock and Kathy Rogers achieved their State Degrees and attended the state convention in April. Also attending the convention were Ann Miles, Faye Black, Lynnette Mosier, Deb Rice a voting delegate, Vicki Fritch for Award of Merit, Diane Ford for chorus, Donna Eis, and Gina Zeedyk. Also going were Mrs. Eis, a chapter mother, and advisors Mrs. Scranton and Mrs. Struble. The year was finished out with a faculty luncheon, May 26 and Cedar Point trip June 4th.

Foreign Language Society

The FLS started their busy year with the initiation of ten new members. A welcome party took place for the exchange students. The club went caroling for their December activities. A Bazaar and Bake Sale were held and proceeds were sent to the Red Cross for Guatamalan families. Students traveling to different countries shared their experiences. The year closed with the May meeting at the Roadside Rest Park where a potluck dinner and elections took place.

The GAA experienced another successful year. At the very beginning the girls sold "Little Darling" kits to raise money. The girls worked hard and brought a very large profit to the club.

In the latter part of the fall the GAA sponsored a skating party, which brought back some old memories. There was not a large attendance or profit, but that wasn't the idea for having it; the GAA just wanted everyone to have a good time.

The girls enjoy going swimming, so they held some meetings at a couple of area indoor pools, such as Antwerp and Ayersville. These trips were always very enjoyable, even if you weren't swimming.

A record hop was also sponsored and it turned out to be very successful too. There was a profit of about $40.00

There were a few able bodies that helped work the coat check at the school carnival, this was highly appreciated.

A special thanks to all the girls who contributed in making the bicentennial program a success. The GAA donated $50.00 to the chorus to pay for the balloons used at the closing of each performance.

Last year a giant slumber party was held at the school and it was such a success that it was decided to be carried on into the future. At the end of April the girls met at the school and then boarded a bus to go see the movie "The Sunshine Boys." After the movie the girls were brought back to FV and pizzas from "Tiny's" were brought in. The girls were active with all kinds of games and sports all through the night and early morning hours. Rolls and juice were served for breakfast and then the girls departed for home.

At the close of the year the GAA takes their annual hike to Ney Park. Much food awaits them and a good time is always had by all.

This year the Student Council put a lot of time and effort into the Homecoming and Christmas dances. The Student Council enjoyed working together while preparing for these dances and found the results to be well worth the effort.

Spring came and the Student Council collected over $200.00 for Muscular Dystrophy.

Members of the Student Council enjoyed a luncheon with the board of Education in March and discussed matters relevant to the student body.

Selections for next year's assemblies were chosen at the close of the year.

This year's members were: Seniors; Jim Ross, Kerry Culler, Randy Jerger, Rich Petrone, Brian Keegan, Juniors; Joni English, Sue Brown, Tonya Jackson, Ted Singer, Sophomores; Steve Dorsey, Meg Behringer, Dave Miller, Freshman; Jackie Hug, Ron Brown.

Varsity Club

The Varsity Club started off the bicentennial year by selling spirit jackets. Devastating and grotesque initiations were held twice during the year. Throughout the basketball season the club helped at the concession stands raking in the dough. The dough made during the winter was used to (make pizzas) pay for the trip to the Detroit-Buffalo basketball game in Cobo Hall. The club assisted in parking for the Band and Chorus Bicentennial Programs. Spirit jackets were again sold. They rounded out a successful year with the annual outing at Ney Park. The activities included basketball, softball, tennis, and a weiner swallowing contest, which ended in a tie between John Chamberlain and Clint Doan.

National Honor Society

The National Honor Society has participated in many school and community projects this year. In the fall, the NHS was in charge of decorating the gym for the Homecoming Dance. The dance turned out to be a huge success. Later on in the fall new members were initiated into the club. Formal initiation was held in the school cafeteria with Mrs. Roebuck as the guest speaker. During the Christmas season the National Honor Society collected money for WCWO's annual penny pitch family. A few days before St. Patrick's Day, the NHS was once again out collecting money. This time the club assisted the Student Council in collecting for muscular dystrophy, a crippling disease strongly supported by Jerry Lewis. On April 30 and May 1 the NHS along with the other organizations helped the chorus in putting on the Bicentennial program. The National Honor Society closed out the year by electing new officers and having a picnic for the graduating seniors.

Apache Chorus

The 1975-76 school year was a full and exciting year for the chorus. The year started out wild and musically with the presentation of the musical, "L'il Abner." The show was presented Friday, November 19th and Saturday, the 20th. The show had a big turn out and it was a real fine production. There was quite a while before the next performance, but on December 14th, at 3:00 the Chorus presented the audience with a Christmas concert. It was a very effective program as glowing candles were used in the darkened gym as the program ended with "Silent Night."

As we moved along through the year it became time for solo and ensemble contest. Contest was held on March 6, at Bowling Green. The Chorus did an excellent job getting high ratings. This year we returned back to school with 16 ones, 15 twos, and 3 threes. After solo and ensemble contest was over, the chorus had to get down to work, because full chorus contest was held on March 13, at Whitmer High School. Mrs. Schulte came home a little disappointed that we didn't get a one, but a two is rated excellent. Contest didn't go as well this year as compared to others, but this way, getting a two meant we didn't have to worry about getting ready for state competition. As we look back on this now, we are really relieved we didn't make it. State contest was to be on the same day as we had planned our Bicentennial program, and that would have been a frantic situation for both Mrs. Schulte and the chorus.

The Bicentennial was our next production and was a great hit. The final duty of the chorus was singing for the graduation. The senior members of the chorus, as always, sang their senior song, "The Lord's Prayer," as their last good-bye to the chorus. This year was without exception the best.

Mrs. Schulte at her best.

Apache Marching Band

During the year the band has participated in many varied and numerous activities. Through the course of the summer they attended parades at Woodburn, Indiana, Bryan, Wauseon, and Paulding. They also performed at the Ney Sherwood and Mark Center Homecomings and the Farmer Cemetary Social.

The climax of the whole summer was the band's appearance at the annual "Parade of Bands" held at the Defiance County Fair. Our Apache Band put on a superb performance, and received a standing ovation for their efforts. They outperformed any other band at the event (even our "Blue Brothers"), and were well-rewarded for their hard work.

After the fair, football season. Our Apache Band made an appearance at every game and performed at all but the Patrick Henry game.

During the fall the Marching Apaches appeared at two band spectaculars, one in Fremont and the other in Brookville, located near Dayton. At Brookville the Apache band had the honor of being both the guest and featured band.

The Apache Pep Band provided entertainment at all the home basketball games and appeared at the Defiance College.

The Fairview Concert Band presented the annual Christmas and Spring Concerts and participated in contest.

To close out the year, the band joined in Memorial Day Services at area communities. Also at the close of school, our "Band of Apacheland" was busily preparing to make an appearance at the "Salute to the Flag Parade" to be held in Chicago in June.

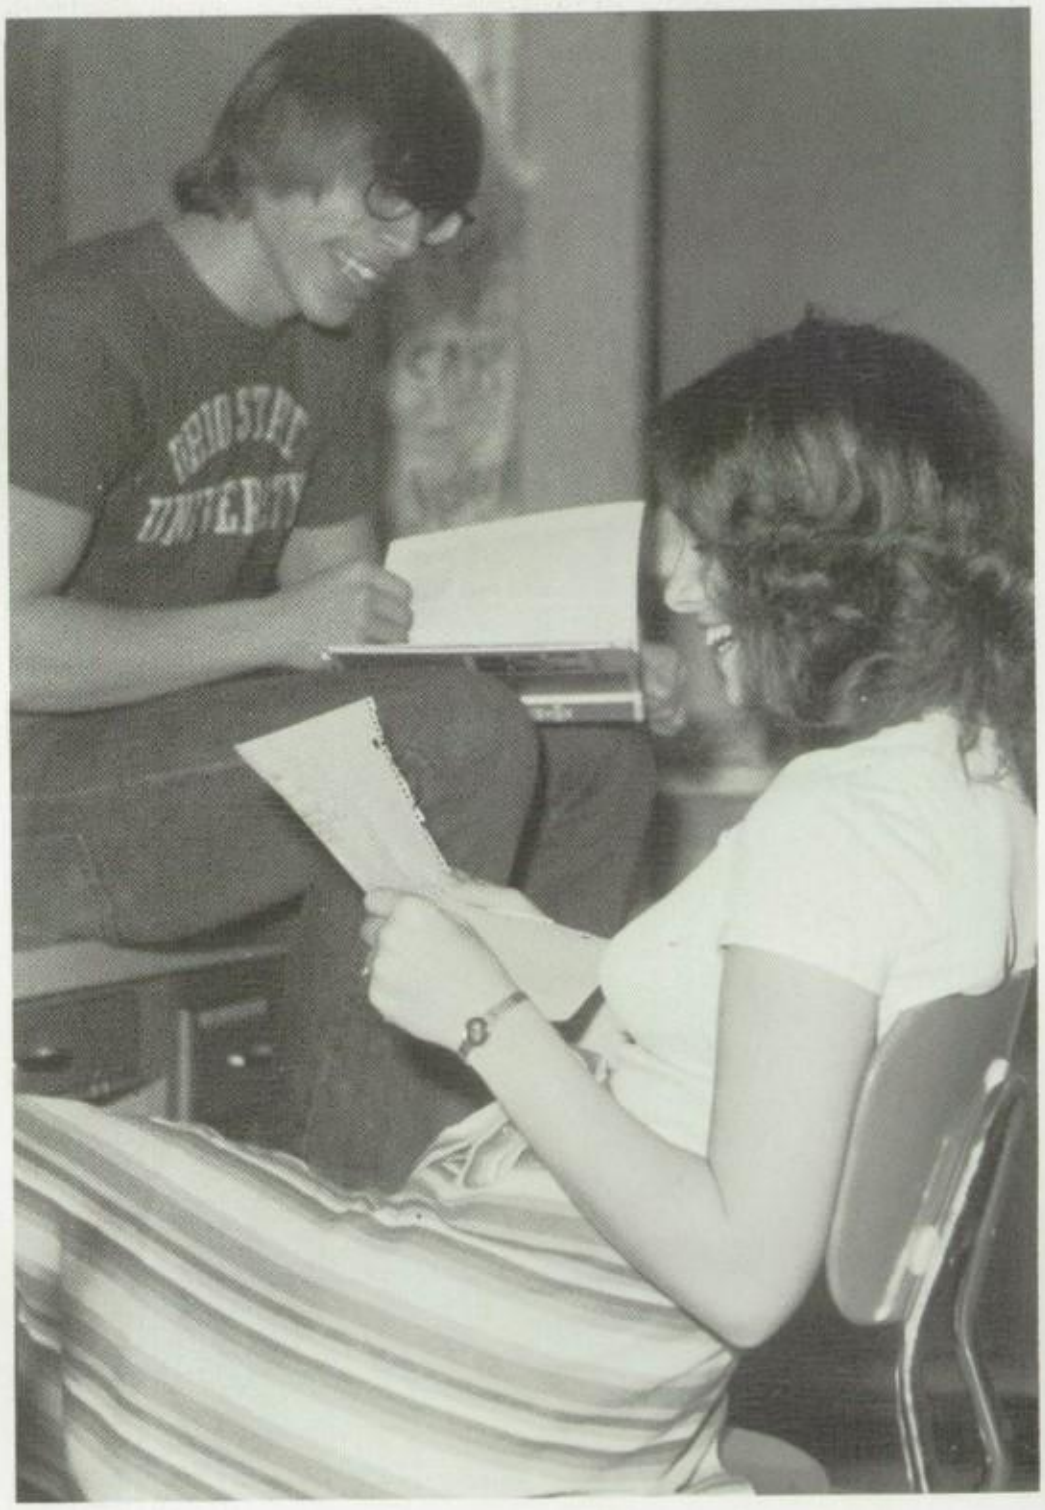
The 1975-76 SAE Chapter was kept very busy by a large assortment of projects. The students taught a total of 80 times this year.

The members worked at many of the school activities throughout the year. Help was furnished at the Blood Bank, Science Fair, kindergarten clinic and registration. The SAE also had the duty of decorating the Homecoming booth which took on a bicentennial theme.

The SAE's money making projects included the sale of ribbons and two bake sales. A total of over $200 was earned.

Interesting speeches were given on Youth for Understanding, Girls' State, Boys' State. There was also a talk presented by Mr. Herroon on teaching.

The group's field trip was to Tri-State University on April 26. The field trip followed by an achievement banquet on May 12 helped to round out the SAE's active year.



War Whoop Staff

This year the WAR WHOOP staff published a total of nine newspapers to keep the Fairview student body informed. Amidst the heavy smell of glue, cluttered tables, and countless paper cuttings the staff produced a fine school newspaper. After the hectic year was completed the WAR WHOOP and WARRIOR staff got a chance to unwind with a trip to Cedar Point June 5.

Warrior Staff

"Where's the cropper?" "Did you get my picture, Jeff?"

These remarks could be heard in Mr. Rupp's room throughout the year as the final yearbook deadlines neared. The Warrior staff endured headaches, frustrating dilemmas, and missing pictures to prepare a memorable volume for students to look back upon in the future.

In addition to preparing the yearbook, the staff along with the WAR WHOOP crew solicited area businesses for patronage ads to help defray the publishing costs.

THE ATHLETES

1975 Football

N.W.B.L. Champs, G.M.C. Co-Champs

How does one start to tell about the Fairview Apache 1975 football team? They could begin by stating that the team won the NWBL crown or that they were co-champs with Hicksville in the GMC Conference. They could tell of our top guys and who made the NBL first or second squads. They could even open by listing our excellent statistics, such as first downs, receptions or rushing. But then they could do it the easy way and say point blank what the Apaches really are: GREAT.

Think back now to the opening game, Fairview vs Edom. It was a complete tragedy to Edon, but we certainly were happy! The only aspect missing was Jerry Brown's extra point kicks, which came around later in the season. Antwerp and Edgerton were also good games, with our defense refusing to give way to the ball carrying opponents and Fairview ending on top, 28 and 25 to 0.

The Tinora Rams brought a few tears to the eyes of Fairview fans by putting an end to the Apaches' undefeated and unscored upon record.

Though Hicksville also brought tears to everyone's eyes, they were tears of gladness. Apparently the annual bonfire and spirited pep session paid off, for the Apaches rolled over the Aces in a 20 to 8 victory. The first in 7 years!

The loss to Patrick Henry was a sad one, but the evening had been sad all the way around. The air was cold, the rain was pouring and few fans mustered up enough energy and umbrellas to attend the evening's festivities.

Our last game of the season was one of the most controversial in Apache history and will probably be long remembered. The Bryan Bears laid a golden egg which stumped the Apaches and brought a 30 to 7 victory to BHS. Though it's certainly not new for such an upset to occur it is uncommon for the officials to stop the game with 3 minutes left on the clock! When Bryan was penalized for holding, one of their players made off with the penalty flag and refused to give it back. On the following play several fights broke out and the game was stopped.

The Apaches lived up to Coach Whalen's expectations, however, by becoming the best team Fairview has ever put on the football field. With this year's experience, plus the upcoming freshmen, Fairview's 1976 football squad should once again be worthy of the honored distinction - GREAT!

Frosh 1975 Football

Prepare for the 'Big Time'

Experience can always be named as a prerequisite to leadership and, though the Freshman Apache football squad ended their season with a 4-2 record, they gained the knowledge necessary for successful careers as varsity linesmen in the upcoming years. Victories for the young Apaches were against Holgate and Hicksville with scores of 6-0 and 34-0, respectively.

1975 Cross Country

Explore the Road to Success

Though the Apaches weren't exactly blessed with a winning team this season, the get up and go was there. Injuries were a definite setback for the team - after all, how often does one see a man running across the country side with both arms in a cast?

The top seven runners for Fairview were Rick Suffel, Gary Hohenberger, Clint Doan, Lenny Johns, John Chamberlin, Dave Miller, and Steve Heisler. Rick Suffel also finished nineteenth and Clint Doan twenty-fourth out of sixty-eight runners at the Fayette Invitational.

The men, although winning few, had great determination and spirit. They will certainly be back next year with high hopes and even greater ability to put themselves on the road to success in '76.

1975 Golf

Gain Distinction as Linksmen

Certain sports need to be experienced to be appreciated - golf is one of them. Several people drive by golf courses each day and wonder, "What in the world are those stupid idiots doing chasing that dumb little ball?" If they only knew!

Steve Hubbard, Ned Garver, Tim Morrison, Steve Baden and Jim Ross, Fairview's varsity golf team, know. They know the glory of victory and the agony of defeat. Not only that, they know what it's like to hear someone holler 'fore' and look up to see a ball fly by their nose. They know what it's like to go towards the wrong hole, or lose the ball in the woods, or hit it into the water. They even know how confusing it is when they think they're heading the right direction but realize everyone else is going the other way! - They will also be the first to admit that these episodes might have taken place two years ago, but are now long gone.

The rookie teams of 1973 and 1974 were replaced this year by a very determined and experienced quintet of duffers. They ended their season with a 13-10-1 record. Their average was 184.3 to the opponents 184.7. The reserve linksmen, however, did not quite make it to the top. Their season ended with a 4-7 record, and a team average of 217.3 to an opponent average of 209.

The meets our teams did lose were very close and the Apaches will hopefully come out on top next year. With 4 out of 5 varsity members returning, this will be very possible!

The Apache warriors not only accepted their victories with pride, but also showed a good example of Fairview's excellent sportsmanship by refusing a second place trophy at Michigan after the deserving team was disqualified.

Coach Held was in good spirits at the end of the season and honored the varsity team by venturing with them to Columbus to watch a professional golf meet. Everyone ended virtually satisfied with the outcome of the trip and the guys very much appreciated Coach Held's gesture!

1975 Volleyball

When one sees a bus load of girls go by cheering, singing of worms or just contemplating, the chances are very high that it is a bus loaded with the Fairview Apache Volleyball team on their way to another game and hopefully another victory.

Upon arriving at their destination the girls would run on to and around the court to psyche out their opponent. This apparently paid off, for the Apaches ended with a 5-1 GMC record, placing them as co-champs with Holgate.

The girls showed spirit, pride and determination during the season and were always ready for bigger and better goals. Amazing as it would seem, with all the energy the girls used they always seemed to have some left over, for if the same person were listening as the bus went by on its return trip a voice could always be heard saying, "Hey, how about McDonalds?"

Excitement, anxiety and the realization that they were one of the best were only a few of the emotions felt by the female cagers this season.

The Apaches ended the 1975-76 season with their best record ever, 14-3! The girls held a 12-2 overall record, a 6-0 GMC record and a 12-1 tournament record. With a season, like theirs it's no wonder they easily slipped into the spotlight by capturing the GMC League title and placing third in the Hilltop Invitational. The girls were also named the "AA" Sectional Champs at Patrick Henry.

Although suffering a defeat to Lima Bath at district, the female roundballers experienced a marvelous season and will most assuredly be returning next year for another attempt at "Wubbubg ut akk!"

1975-76 Wrestling

Excell in Tournament Action

Fairview's 1975-76 fighting Apache wrestling team included one of the youngest and least experienced teams in several years. What this year's team lacked in experience, however, they made up for in enthusiasm.

Although the team didn't do extremely well in dual meet competition they did excell in tournament action under the leadership of captain Brian Keegan. The team placed 2nd in the 18-team Van Wert Invitational tournament. And just missed 3rd place by 1 point in both the Delta and Sylvania 12-team tournaments.

Brian Keegan set a new consecutive win record with 21 straight wins. This year's team loses just two seniors in Brian Keegan and Mike Bok. Next year's team should be even better with the return of many 2nd year wrestlers.

1975 Basketball

Sectional Runners-up

At first glance, when one compares the 1975-76 season record (9-11) to that of last year, it might not seem too good, but one must remember that this year was equally as great in its own way. For instance: Besides picking up the school's 200th victory by defeating Evergreen in the sectional tournament, the Apache cagers took runner-up honors in the sectional and second place in the Green Meadows Conference. The mighty warriors also amazed their fans when they ended their season by being outrebounded only twice. Kreg Culler lead the Apaches with 230 rebounds. Ken Karnes lead in assists with III. Leading scorers for the season were Karnes (345), Culler (293), Hohenberger (189), Breininger (164), Herger (150) and Rhodes (144).

Although this year's reserve team finished their season below 500 it is no indication of the overall performance of the players. Many of the games were close and given the lucky break could have gone either way. From a team standpoint the most rewarding aspect of this past season was to see the steady improvement of the players throughout the year. There is little doubt that this year's reserve team will be able to contribute to the making of a successful varsity season next year.

Soph-Frosh Basketball

Sport Good — Bad Seasons

The sophomore basketball team went on a fantastic winning spree this season as they won 9 out of 10 games. The only loss suffered was to Defiance in an overtime. The sophomore cagers totaled 472 points with an average of 42.7 per game.

Turning our attention to the frosh roundball, we see a "not-so-great" season with a year end record of 3 wins and 9 losses. The freshmen had a total of 438 points and 36.5 points per game. Overlooking the dismal record, the team played well in every game. There are many players from the frosh team which will strengthen the reserves next season with their aggressiveness and hustle.

Team of the Future

Looking back at Fairview's track team during this bicentennial spring one can see a few seniors and bushels of underclassmen, which accounts for Mr. Brugler's newly formed name for the track squad - 'Team of the Future.' One record was broken this season by David Kretzer in the 880 yd run with a time of 2:026. The Apaches took a 4th place standing in the league meet and in sectional competition Doug Myers, placed 6th in the 220. The 880 yard relay team of Doug Myers, Mike Edwards, Curt Doan and Mike Johnson also placed 6th in sectional action. The season was brought to a close by awarding trophies to the man with the most points - Doug Myers (57½ pts.), the most improved - Stuart Kammeyer and the most valuable - Doug Myers.

Next year, with 16 returning lettermen, Fairview should have its best track season ever. There will be plenty of balance, meaning that there will be a letterman in nearly each event. With this advantage, Fairview High School's 'Team of the Future' should be one of the leading contenders in the GMC and start off the next 200 years with a bang!

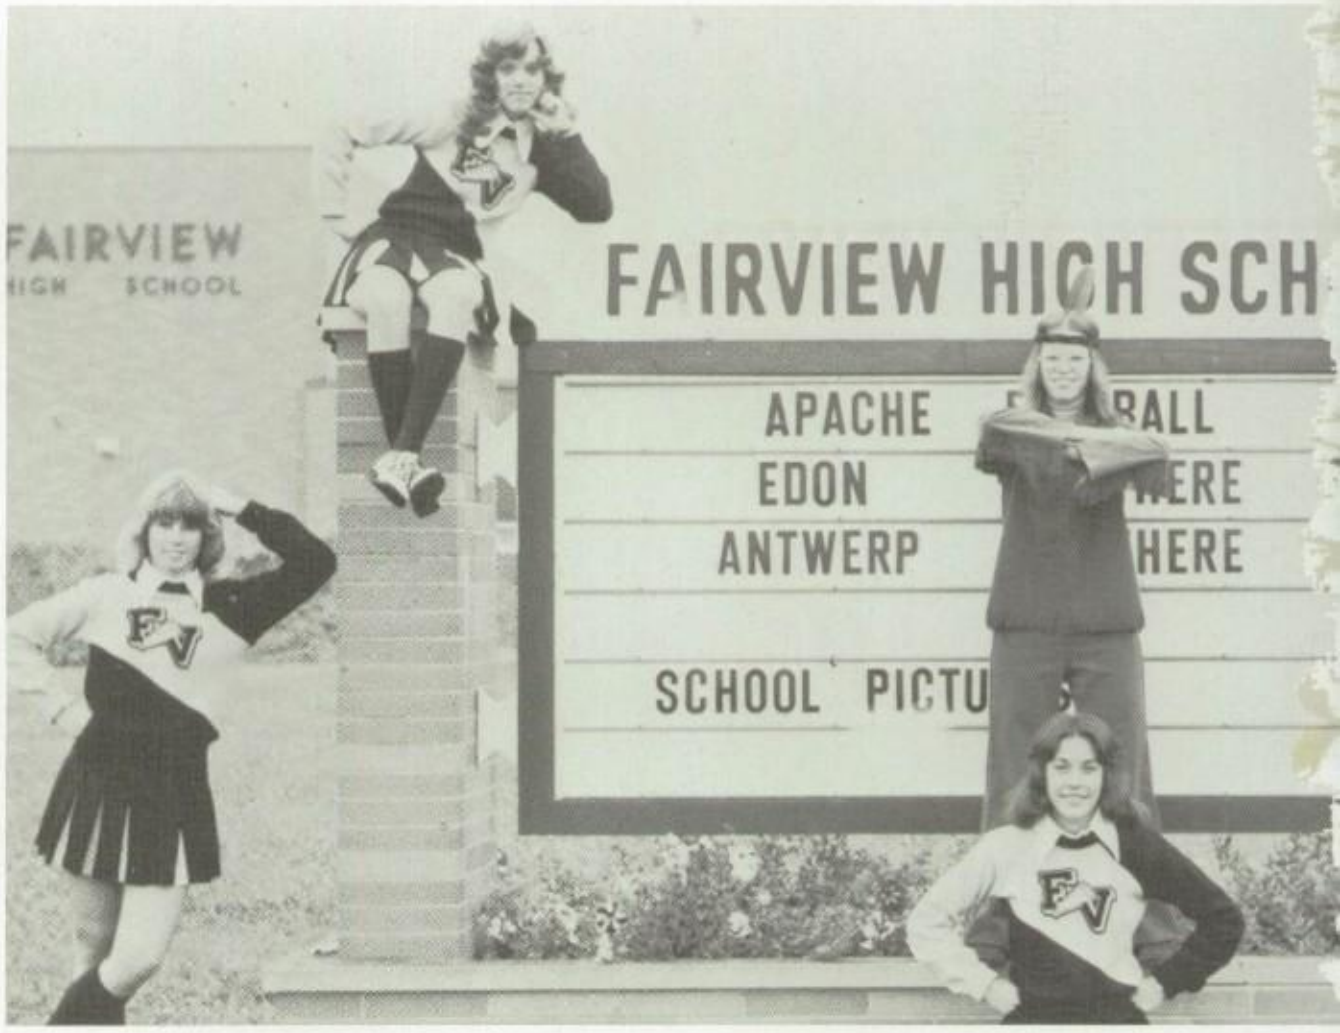
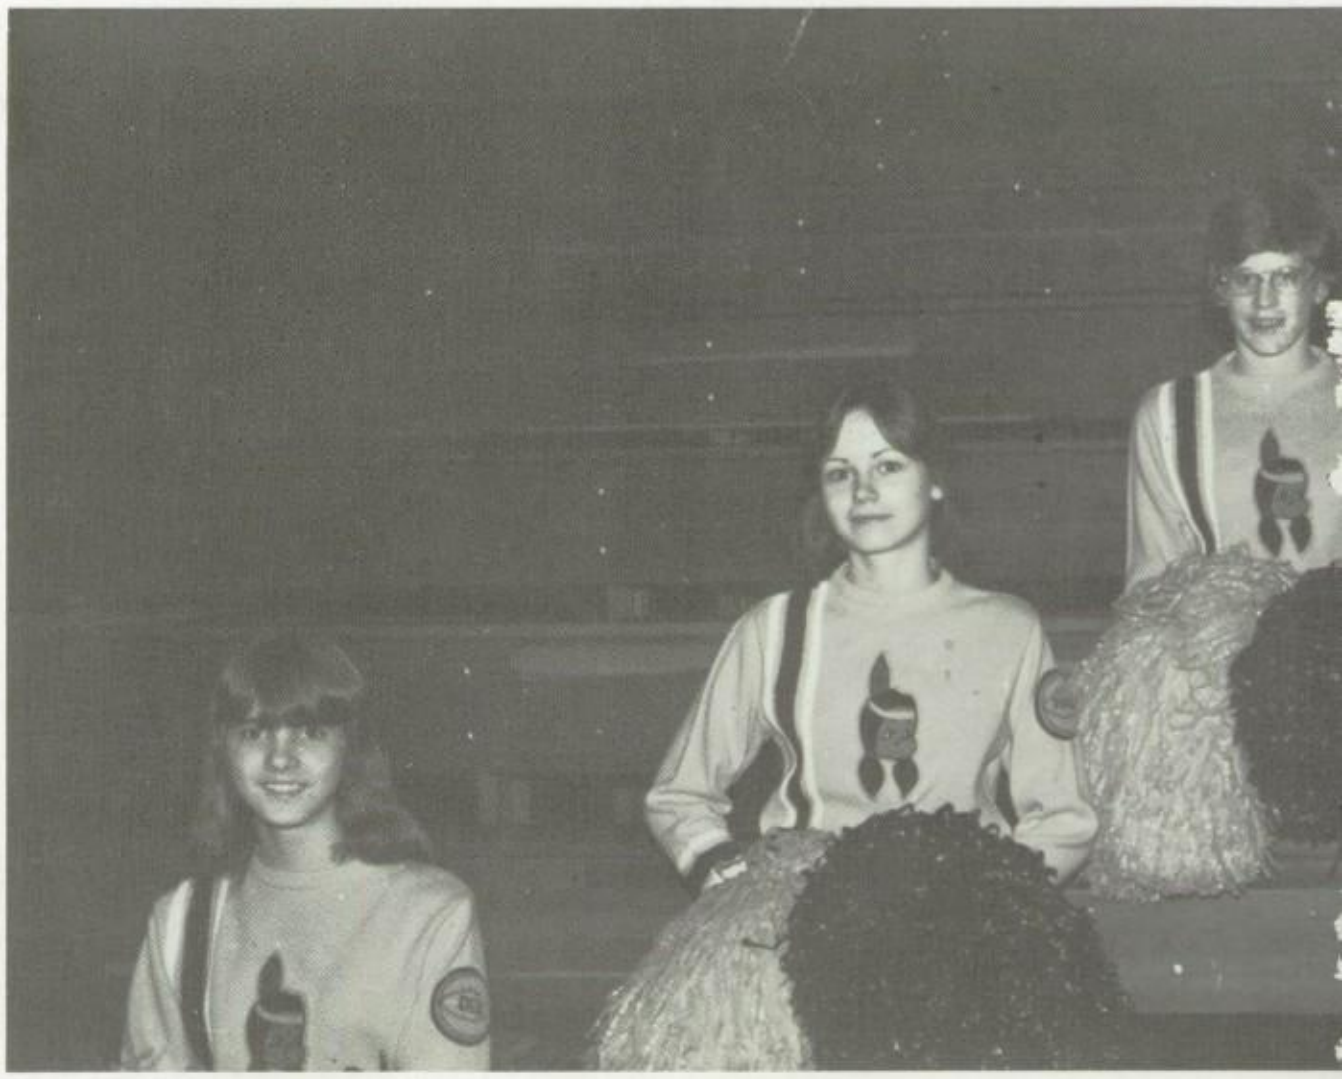
Varsity Squad



Freshman Squad



A change was made within this year's cheerleading squads. Instead of trying out for varsity and reserve cheerleaders, the girls made a choice between varsity football and basketball or varsity wrestling. The varsity football-basketball cheerleaders were picked in the spring of '75 and consisted of T. Allen, J. Armstrong, M. Behringer, D. Kuhn, A. Oskey, and C. Wolfrum. The girls practiced all summer and during the regular season. L. Arend, C. Calvin, V. Husted, I. Moreno, G. Porter and P. Vandemark were picked in the fall of '75 as varsity wrestling cheerleaders.

As money making projects the girls held car washes, record hops, bake sales, slave days, pop bottle round-ups and an annual afghan raffle. For an additional project the football-basketball cheerleaders volunteered to sit in the dunking machine at the Sherwood Homecoming.

All the girls, including freshmen, worked hard making signs and doing all sorts of little things for the players - such as serving them their lunches at noon. They also spent time organizing the annual bonfire and many pep sessions.

Next year FHS plans to go back to the old way of doing things and will once again have reserve cheerleaders instead of wrestling cheerleaders. Mrs. Johns will also be the new advisor.

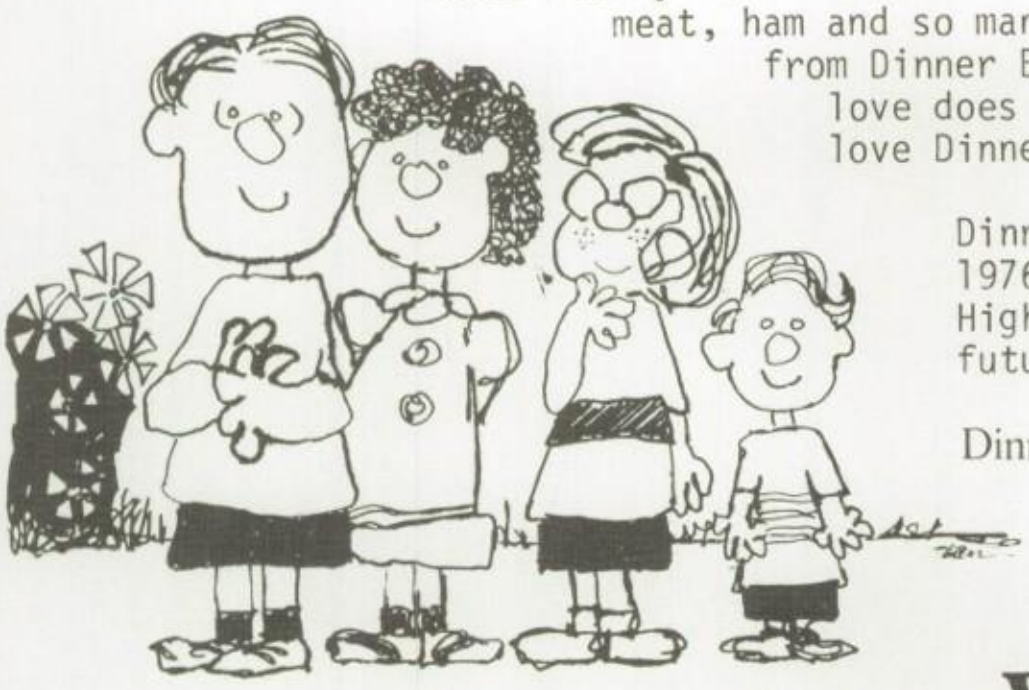
KIDS LOVE DINNER BELL



Kids really do love Dinner Bell. They love wieners, lunch meat, ham and so many other good things that come from Dinner Bell. As kids grow older, the love does not change that much. Adults love Dinner Bell, too!

Dinner Bell congratulates the 1976 graduating class of Fairview High School. Best of luck in the future!
